MEMORANDUM FOR THE RECORD

SUBJECT: Blau and the Budget

1. SSCI'er Tom Blau notified me today that he has volunteered to assist SSCI budget officer [] with the budget exercise and has been assigned to work on the following two matters (annotated with his rather nebulous subhead thoughts.):

25X1

A. Quality of analysis and analysts

Will look at such things as language training, foreign travel, seminars, recruiting, exceptional analyst program, personnel philosophy, approach to career development

B. Emigre processing.

2. Blau apologetically asked whether he could immediately be put in touch with persons at CIA Headquarters with whom he could promptly discuss these matters as budget hearings and drafting activity are hard upon them.

3. Blau was informed his request would be passed through OLL's budget coordinator [] to appropriate parties.

4. It should be noted with due credit to [] that I suspect the fine hand of Minority Staff Director Gary Schmitt in this "volunteering" by Blau. These happen to be tow "hot topics" with Schmitt who, to all appearances, seems to program Senator Moynihan's designee, Blau. Regardless, his request must be honored as promptly as possible.
